

Welcome UFS Rescuer to the Herd!

Welcome!

We're thrilled to welcome you to Unity Farm Sanctuary!

It means a lot to me that you trust us enough to support our work with your recent monthly gift. I don't take that trust lightly, and we do our best to use your donation for its highest good. Monthly donors show us their faith in our work as we provide the "forever" home and care to so many rescues. The stability of monthly donations is key to running Unity Farm Sanctuary and keeping the rescues healthy and happy.

I'd like to introduce you to Dudley the Scottish Highland Bull – a gentle giant of nearly one ton of pure joy! Born on a farm in New Hampshire, he nearly ended up at a livestock auction at the age of 3. Fortunately, a kind soul found him, and we took him in.

Now, he spends his day enjoying a brushing from his human friends and running and jumping in his paddock near other bovine buddies. He's extremely popular and treasured here! (He even has his own [Facebook page!](#))

Because of friends like you, Dudley and the other 300+ residents of the farm have a safe and loving lifelong home. Their stories inspire thousands of volunteers, children, and adults every year in the New England area and across the United States – helping to promote humane education, kindness, and compassion.

As a new monthly supporter, I thought you might have a few questions about Unity Farm Sanctuary since you are dedicated to the future here. So, I'm including a bit of information in this packet to give you an idea of the impact we're making from your steady commitment to the rescues

- We also encourage you to [explore our website](#). I recommend our [About Us](#) and the [Education](#) to learn more about our programs and what we offer to the community. We have a free UFS App too! Don't forget to sign up for our emailed news and videos

By the way, if you'd like either an in-person or virtual tour of the farm, I'd be happy to personally show you around! Just email me at unityfarmsanctuary@gmail.com and let me know.

Thanks again for joining the Unity Farm Sanctuary family! Together, I know we can make a difference in the lives of animals, people, and the world around us.

Warmly,

Kathy Halamka

Ways to Help & Get Involved

There are lots of different ways to support our feathered and furry friends at UFS!

Volunteer Your Time

Volunteers are the heart of our everyday activities. Work can include direct care for the animals, serve as our ambassadors during onsite events and in speaking with visitors, and share their professional talents that support us with activities outside the realm of animal care.
